EXT. FIELDS OF LACOSTE, FRANCE - DAY

A stereotypical Frat Boy, CHADD, skips through a field. He holds a karaoke mic in one hand and lavender in the other.

PHOEBE, the camerawoman follows him. She fiddles with a mic.

CHADD  
Sup guys, it's Chadd with two D's.  
One's eight inches.

PHOEBE  
You mean four?

CHADD  
He's a grower, man!

PHOEBE  
Yeah right!

CHADD  
Anyways, today we're here in  
France. And we're gonna taste some  
bomb ass wine. Let's go!

EXT. CAFE PATIO - DAY

Camera idles. It records:

Chadd pours rosé into his hydro pack.

He doesn't realize that the camera records.

EXT. CAFE PATIO - DAY

LUCIEN, a young hipster American dressed boy, enters.

LUCIEN  
Bonsoir!

Chadd greets him.

CHADD  
Aye! Bon-Sah dude!

Lucien glances directly at the camera.

He leans into kiss Chadd's cheeks.

Chadd shoves him down.

CHADD (CONT'D)  
Hey man! No homo, no homo.

Chadd sits at a table across from Lucien. Two wine glasses and a row of sample wines.

CHADD (CONT'D)  
So we're here with Lucien. He's gonna show us some wines. We're about to get wasted.

LUCIEN  
I wouldn't say wasted per say. Our wines, all wines in general, should be enjoyed in moderation...to enjoy the savory and sweet taste--

CHADD  
Interesting. Now you are the owner of an American Winery but here in France. How does that work exactly?

Chadd pushes the mic to close to Lucien's face.

LUCIEN  
Well I married a French woman.

They high five.

CHADD  
That's right!

LUCIEN  
Yeah, she's great. We both like wine a lot. So we decided to open our own winery. And here we are.

CHADD  
Wow look, dreams do come true. If only there were some extra French Hotties around for me?

Chadd smirks and looks around expectantly. Then smirks into the camera.

Camera dies.

CUT TO:

EXT. CAFE PATIO - DAY

CHADD  
Oh hey, didn't see you there. We're  
back with Lucas-

LUCIEN  
Lucien!

Chadd returns to table.

CHADD  
And here we have a Savior Black.

Lucien checks the bottle.

LUCIEN  
Actually that's our Sauvignon  
Blanc. It's one of our sweeter  
white wines.

Lucien pours two samples out.

LUCIEN (CONT'D)  
So first we're going to check the  
legs.

CHADD  
All three of them?

LUCIEN  
Then we're going to smell it and  
get all the aromatics.

Chadd smells it hard. He fogs up the glass.

LUCIEN (CONT'D)  
Now we're going to taste it.

Chadd takes a sip. He immediately spits it out.

LUCIEN (CONT'D)  
Maybe we should try a red this  
time.

Lucien grabs a dark bottle.

CHADD  
Ah, I love a good Merlot.

He pronounces with a hard T.

LUCIEN  
This is our *Merlot*, one of our  
sweeter red wines we have bottled  
this year.

CHADD  
Like your wife.

Lucien stares at the camera.

LUCIEN  
Absolutely not.

Lucien puts his hand in front the camera. He storms off.

Phoebe rushes after Lucien.

PHOEBE  
Hey. What's wrong?

LUCIEN  
(in french)  
Fuck this guy! This is why I left  
America. I'm not doing it.

Phoebe and Lucien continue a hushed argument. Chadd fixes his  
hair in the camera.

Phoebe calms Lucien. She guides him back to the table. Lucien  
is decidedly very pissed.

Lucien pours the samples. He takes a glass and swirls it.

LUCIEN (CONT'D)  
See the legs on this one?

CHADD  
That's what she said.

Lucien dead stare at camera.

CHADD (CONT'D)  
(to camera)  
Anyways, let's try this Merlot.

Chadd takes the glass, hits the table, and takes it like a  
shot.

Lucien stares at him.

CHADD (CONT'D)  
Damn that's some good grape juice.

He takes the bottle and chugs it. Streams of red run down his chin and chest.

He smashes the bottle on the ground. He wipes his mouth

CHADD (CONT'D)  
Ah, thanks for sliding in these  
DMs. See you bitches next week.

Chadd rips his shirt in half. He rushes to the camera.

CUT TO BLACK.
